Introduction to Basic Addition and Phonics Homework Sheet

Student Name: _____

Class: _____

Due Date: _____

Introduction and Instructions

Welcome to the Introduction to Basic Addition and Phonics homework sheet! This activity is designed for children aged 5-7 years to practice their math and language skills. Please follow the instructions carefully and have fun!

Instructions:

- Read each question carefully and make sure you understand what is being asked.
- Use a pencil to write your answers, and erase any mistakes gently.
- Ask a parent or guardian for help if you need it, but try to do your best on your own first.
- Take your time and work at your own pace. You have 15-25 minutes to complete the assignment.
- Check your work when you are finished to make sure you have answered all the questions.

Number Tracing:

Trace the numbers 1-5 in the spaces provided.

1. 1: _____

2. 2: _____

3. 3: _____

4. 4: _____

5. 5: _____

Number Matching:

Match the numbers 1-5 to their corresponding number words.

1. 1 - _____

2. 2 - _____

2. **Word Search:** Create a word search using the letters and numbers learned in this assignment.
3. **Story Time:** Write a short story using the numbers and letters learned in this assignment.

Conclusion and Parent/Guardian Notes

Congratulations on completing the Introduction to Basic Addition and Phonics homework sheet! Please review your work and make sure you have answered all the questions.

Parent/Guardian Notes:

- Encourage your child to work independently, but offer help when needed.
- Check your child's work for completeness and accuracy.
- Provide feedback and encouragement to your child.
- Help your child to develop a growth mindset and view challenges as opportunities for growth.
- Set aside dedicated time for your child to complete the assignment, free from distractions.
