

Introduction to the C1 CEFR Exam

The C1 CEFR exam is a challenging but achievable goal for language learners. Understanding the exam format and question types is crucial for effective preparation and success.

The C1 CEFR exam consists of four components: reading, writing, listening, and speaking. Each component has its unique question types, time allocations, and marking criteria. The exam is designed to test your language skills in a comprehensive and integrated way.

Understanding the C1 CEFR Exam Format

Read the following description of the exam format and answer the questions that follow:

The C1 CEFR exam consists of four components: reading, writing, listening, and speaking. The reading component tests your ability to understand complex texts, including news articles, essays, and reports. The writing component tests your ability to write clear and well-structured texts, including essays, letters, and reports. The listening component tests your ability to understand conversations, discussions, and presentations. The speaking component tests your ability to engage in conversations, discussions, and presentations.

1. What are the four components of the C1 CEFR exam?

2. What type of question is used to test your ability to understand complex texts?
