## Developing Comprehension Skills through VIPERS and Interactive Activities

---

### Welcome to Developing Comprehension Skills through VIPERS and Interactive Activities!

---

This lesson plan is designed to introduce 7-year-old students to the concept of VIPERS, a reading comprehension strategy that focuses on Vocabulary, Inference, Prediction, Explanation, Retrieval, and Summarization. Through a series of engaging and interactive activities, students will develop their comprehension skills, build confidence in reading, and cultivate a love for learning.

## Lesson Objectives

---

By the end of this lesson, students will be able to:

- Recall and define the six key skills that make up the VIPERS strategy
- Apply VIPERS skills to a given text
- Identify main ideas, supporting details, and author's purpose
- Make inferences and predictions based on a text
- Summarize a text using their own words

## Introduction to VIPERS

---

VIPERS is a powerful reading comprehension strategy that helps students develop a deeper understanding of texts. The acronym VIPERS stands for Vocabulary, Inference, Prediction, Explanation, Retrieval, and Summarization. Each skill is essential for reading comprehension and can be applied to a variety of texts.

- Vocabulary: The words and phrases used in a text to convey meaning
- Inference: A conclusion or opinion based on evidence from the text
- Prediction: A guess about what might happen next in the text
- Explanation: A clear and concise summary of the main ideas and supporting details
- Retrieval: The ability to recall and remember important information from the text
- Summarization: A brief summary of the main ideas and supporting details

## Teaching Script

---

### Minutes 1-5: Introduction and Hook

- Introduce the topic of comprehension skills and ask students to share their thoughts on what it means to understand what they read
- Use an engaging story to hook students' attention and provide a clear understanding of the lesson's objectives and outcomes
- Write the word VIPERS on the board and ask students to share what they think it might stand for

### Minutes 6-10: VIPERS Introduction

- Introduce the six key skills that make up the VIPERS strategy, using visual aids and examples to illustrate each skill
- Provide students with a handout that outlines the VIPERS skills and ask them to follow along as you explain each one
- Use simple language and examples that 7-year-old students can understand

## Guided Practice

---

### Activity 1: VIPERS Introduction

- Objective: Students will understand the concept of VIPERS and its importance in reading comprehension
- Scaffolding Strategy: Use visual aids and simple examples to introduce the VIPERS skills
- Procedure: Show students a diagram of the VIPERS acronym and explain each skill in simple terms
- Use a short text to demonstrate how to apply VIPERS skills
- Ask students to work in pairs to match the VIPERS skills with their definitions

### Activity 2: Vocabulary Building

- Objective: Students will learn to use context clues to understand unfamiliar vocabulary
- Scaffolding Strategy: Provide students with a word bank and sentence stems to support their learning
- Procedure: Read a short text aloud and ask students to identify unfamiliar words
- Provide students with a word bank and sentence stems to help them define the words
- Have students work in pairs to match the words with their meanings

## Independent Practice

---

### Beginner Activity: VIPERS Scavenger Hunt

- Instructions: Create a scavenger hunt with pictures or words related to the VIPERS skills
- Ask students to find and match the pictures or words with their definitions
- Success Criteria: Students will be able to match 5 out of 6 VIPERS skills with their definitions

### Intermediate Activity: Reading Comprehension Worksheet

- Instructions: Create a reading comprehension worksheet with short texts and questions that target the VIPERS skills
- Ask students to read the texts and answer the questions
- Success Criteria: Students will be able to answer 4 out of 5 questions correctly

## Conclusion

---

In conclusion, Developing Comprehension Skills through VIPERS and Interactive Activities is a comprehensive and engaging lesson plan that introduces 7-year-old students to the concept of VIPERS. Through a series of interactive activities, students will develop their comprehension skills, build confidence in reading, and cultivate a love for learning. By following this lesson plan, teachers can create a supportive and engaging learning environment that fosters a love of reading and promotes academic success.
