

Sustainable Cultural Pathways Activity Sheet

Introduction to Cultural Heritage (15 minutes)

Welcome to an exciting journey exploring our cultural heritage! Today, we'll investigate how our local culture connects with environmental sustainability.

Learning Objectives:

- Understand the connection between cultural heritage and environmental sustainability
- Develop observation and documentation skills
- Learn to conduct basic field research
- Practice critical thinking about environmental changes

Warm-Up: Cultural Memory Map (20 minutes)

Work individually to create a memory map of your local area's cultural elements.

1. In the space below, draw a simple map of your neighborhood
2. Mark important cultural locations (historical buildings, gathering places, traditional shops)
3. Use different colors to indicate:
 - Green: Natural heritage sites
 - Red: Cultural monuments
 - Blue: Community gathering spaces
