

Welcome to the Digital World!

As a young learner, it's essential to understand how to navigate the internet safely and responsibly. This workbook is designed to help you learn about online safety and digital citizenship in a fun and interactive way.

Online Safety Basics

1. What is online safety? _____
2. Why is it important to be safe online? _____
3. What are some online risks that we should be aware of?

Activity: Draw a picture of your favorite online activity and write a short sentence about how you stay safe while doing it.

Digital Citizenship

1. What is digital citizenship? _____
2. Why is it important to be a good digital citizen?

3. How can we show kindness and respect online?

Activity: Write a short story about a time when you showed kindness online.

Passwords and Privacy

1. What is a strong password? _____
2. Why is it important to keep our passwords secret?

3. What are some ways to keep our personal information private online?

Activity: Create a strong password and write it down in a safe place.

Online Etiquette

1. What is online etiquette? _____
2. Why is it important to be respectful online? _____
3. How can we avoid cyberbullying? _____

Activity: Role-play a scenario where you have to respond to a mean comment online.

Digital Footprint

1. What is a digital footprint? _____
2. Why is it important to be mindful of our digital footprint?

3. How can we manage our digital footprint? _____

Activity: Draw a picture of your digital footprint and write a short sentence about how you want to be seen online.

Online Safety Scenarios

1. You receive a mean message from someone online. What do you do?
 - a) Respond with a mean message
 - b) Block the person
