

Introduction to Simple Sentences

Welcome to our language learning journey! In this pack, we will explore the basics of creating simple sentences using pictures and word cards. Simple sentences are a fundamental part of language and communication, and we will learn how to build them using fun and interactive activities.

What is a Simple Sentence?

A simple sentence is a sentence that has only one independent clause. It expresses a complete thought or idea. For example: "The cat sleeps."

Understanding Pictures and Word Cards

Pictures and word cards are visual aids that help us learn and remember new vocabulary and sentence structures. We will use them to build simple sentences and create our own stories.

Picture Cards

Picture cards are cards with images on them. They can be used to represent objects, animals, or actions.

Word Cards

Word cards are cards with words on them. They can be used to represent nouns, verbs, adjectives, or adverbs.
