

### Exploring Shapes Adventure!

#### Student Information

Please write your details below:

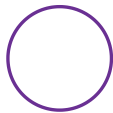

Name: \_\_\_\_\_

Date: \_\_\_\_\_

#### Warm-Up Shape Discovery (10 minutes)

Circle the correct answer for each question:

1. Which shape rolls around?

Circle

Square

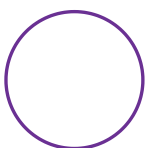

Triangle

2. How many corners does a square have?

#### Shape Detective Game (15 minutes)

Draw a line to match each shape with something you might see every day:

Circle

The sun in the sky

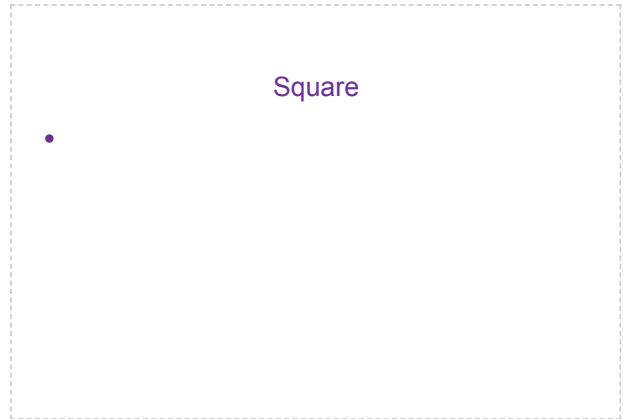

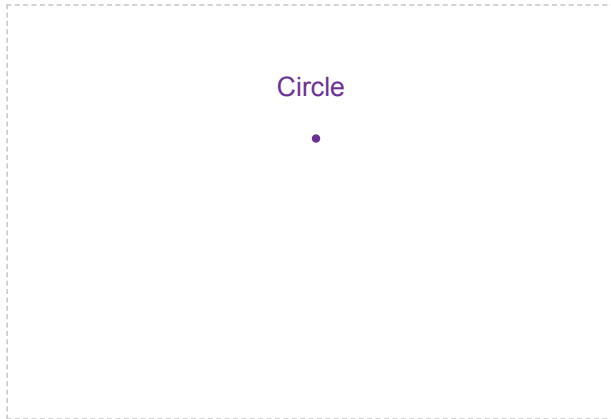

A sandwich on your plate

Square

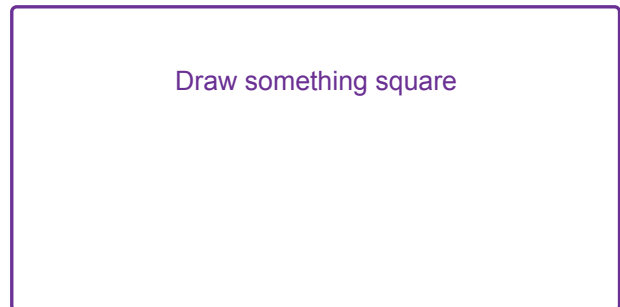

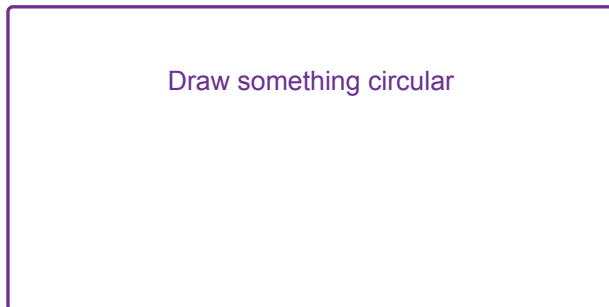

Let's Draw Shapes! (20 minutes)

Connect the dots to complete each shape, then color it in:

Shape Hunt Challenge! (15 minutes)

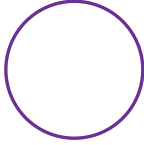

Look around your classroom and draw what you find:

## 3D Shape Exploration (25 minutes)

Let's discover how flat shapes become 3D objects!

### Circle → Sphere

Examples:

- Ball
- Orange
- Globe

### Square → Cube

Examples:

- Dice
- Box
- Building Block

### Rectangle → Cuboid

Examples:

- Cereal Box
- Book
- Pencil Case

## Shape Pattern Challenge (20 minutes)

Complete these shape patterns by drawing the missing shapes:

Shape Story Time (30 minutes)

Create your own story using shapes! Draw and write about your shape characters:

**Title of your story:**

Draw your shape character here

Write your story here:

---

---

---

Shape Art Gallery (40 minutes)

*Create beautiful artwork using only shapes!*

Create a garden scene using circles for  
flowers

Design a city skyline using rectangles

**Artist's Reflection:**

What shapes did you use in your artwork?

---

Which was your favorite shape to use and why?

---

## Shape Math Challenge (25 minutes)

Solve these shape-based math problems:

### 1. Count and Add:

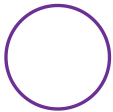

### 2. Pattern Completion:

## Shape World Assessment

Show what you've learned about shapes!

### 1. Draw lines to match shapes with their names:

Circle

Square

Reflection Time! (10 minutes)

Think about what you learned today and complete these sentences:

My favorite shape is \_\_\_\_\_ because

\_\_\_\_\_

I found these shapes in my classroom: \_\_\_\_\_

The most interesting thing I learned today was: \_\_\_\_\_

**How much did you enjoy today's shape adventure?**

(Circle the stars to show how much you enjoyed it!)

## Shape Explorer Certificate

This certifies that

\_\_\_\_\_

has successfully completed the Shape Adventure Challenge!
