Introduction to Digital Literacy and Online Safety

Essential Understanding:

- What is digital literacy?
- Why is online safety important?
- Basic online safety tips

Complete these concept checks:

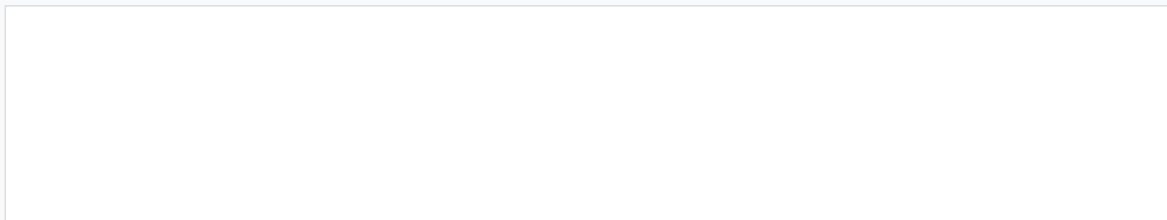

1. Define and give an example of:

- Digital literacy
- Online safety
- Cyberbullying
- Online etiquette

2. Watch a short video on online safety (e.g., [KidRex](https://www.kidrex.org/)) and answer:

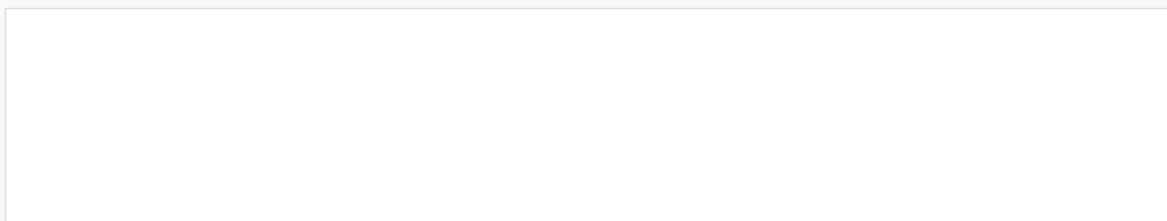

- What is online safety?
- Why is it important to be safe online?

Complete a simple crossword puzzle or word search related to digital citizenship:

Answer the following questions:

1. What is online safety?
2. Why is it important to be safe online?

Read a scenario about online safety and answer:

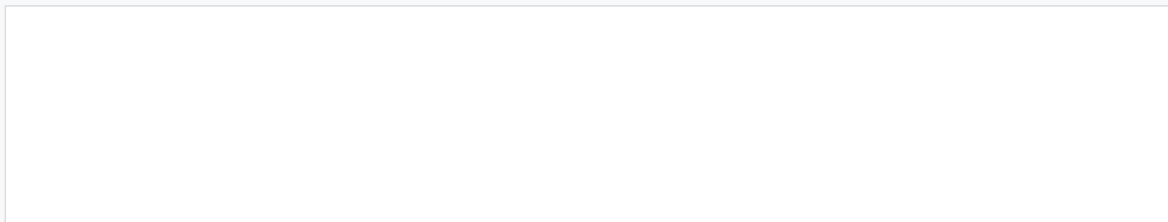

A friend shares personal info online. What are the potential risks in this situation? How can you help your friend stay safe online?

Complete a short quiz (5-7 questions) that tests critical thinking skills in online interactions:

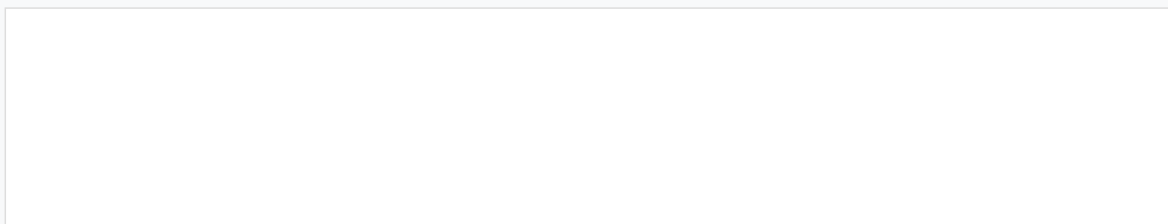

1. What should you do if someone you don't know sends you a message online?
2. Why is it important to keep personal info private online?

Extension Level: Create a Poster

Design a poster or infographic about online safety and digital citizenship:

Write a short reflection (100-150 words) on what you learned about online safety and how you can apply it in your daily life:

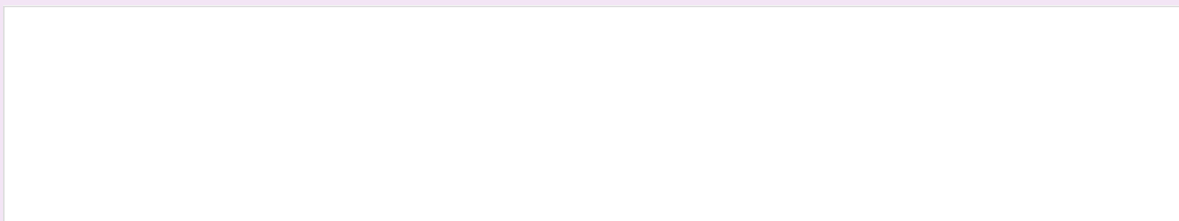

iv>

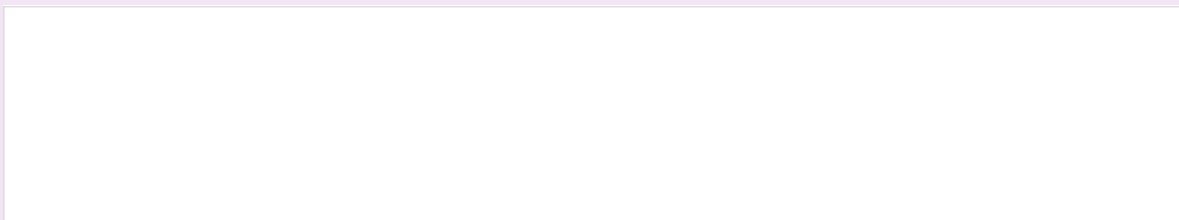

Extension Activities

Research and create a short presentation (3-5 minutes) on a specific aspect of online safety:

1. Cyberbullying
2. Online etiquette
3. How to stay safe online

Design a simple online game or quiz that teaches online safety concepts to peers:

Reflect on what you learned about online safety and digital citizenship:

1. What did I learn about online safety?
2. How can I apply what I learned in my daily life?
3. What challenges did I face, and how can I overcome them in the future?

Parent/Guardian Notes

Supervise and guide your child during the assignment and provide guidance when needed:

Encourage your child to reflect on what they learned and how they can apply it in their daily life.

Discuss online safety and digital citizenship with your child, reinforcing the importance of responsible digital behavior.
