

Introduction (5 minutes)

Welcome to our English language lesson, where we will be exploring the basics of creating simple English sentences and engaging in interactive dialogue. This lesson is designed for 10-year-old students who are beginners in the English language. By the end of this lesson, students will be able to create simple sentences using basic sentence structures and vocabulary, and engage in interactive dialogue with their peers.

Understanding Sentence Structure (15 minutes)

A sentence is a group of words that express a complete thought. It typically consists of a subject, a verb, and an object. The subject is the person, place, or thing that performs the action, the verb is the action itself, and the object is the person, place, or thing that receives the action.

Exercise 1: Identifying Sentence Components

1. Identify the subject, verb, and object in the following sentences:
