

Introduction (5 minutes)

Read the introduction and answer the following questions:

1. What is the importance of effective communication in today's digital age?

2. How can digital media and interactive exercises help build vocabulary and grammar skills?

Section 1: Vocabulary Building (15 minutes)

Match the following vocabulary words with their definitions:

Vocabulary Word	Definition
Digital native	A person who has grown up using digital technology
Virtual reality	A computer-generated simulation of a real or imaginary environment
Hashtag	A word or phrase used to categorize social media posts
Online community	A group of people who interact with each other online
Digital footprint	The online presence or reputation of an individual or organization

Use the vocabulary words in a sentence:

1. Example: As a digital native, I am comfortable using technology to communicate with others.

Section 2: Grammar Review (15 minutes)

Identify the correct form of the verb "to be" in the present tense:

1. I _____ a student.

2. He _____ a teacher.

3. She _____ a doctor.

Complete the sentence with the correct form of the conditional sentence:

1. If I _____ more time, I would study more.

Section 3: Digital Media Exploration (15 minutes)

What are some benefits of using digital media to learn vocabulary and grammar?

Page 1 of 4

How can you use social media to practice your language skills?

Section 4: Interactive Exercises (20 minutes)

Complete the crossword puzzle using vocabulary words related to digital media:

Across	Down
1. Computer-generated simulation (9)	2. Online presence or reputation (13)

Play the grammar game to practice your grammar skills:

Section 5: Reflection and Feedback (10 minutes)

Reflect on your learning: What did you learn about vocabulary and grammar in this worksheet?

Provide feedback: What did you find challenging or enjoyable about this worksheet?

Conclusion (5 minutes)

In conclusion, building vocabulary and grammar skills through digital media and interactive exercises is a highly effective way to engage 19-year-old students and enhance their language proficiency.
