5. Artist

1. a) Designs and builds roads, bridges, and buildings
2. b) Teaches students in a school
3. c) Creates paintings, drawings, and sculptures
4. d) Prepares and cooks food in a restaurant
5. e) Provides medical care and treatment to patients

Page

Job Descriptions (15 minutes)

Read the job descriptions and answer the questions:

Doctor: Provides medical care and treatment to patients, diagnoses illnesses, and prescribes medication.

Teacher: Teaches students in a school, prepares lesson plans, and grades assignments.

Engineer: Designs and builds roads, bridges, and buildings, and solves technical problems.

1. What are the main responsibilities of a doctor?

2. What skills are required to be a successful teacher?

3. What kind of work does an engineer do?

Role-Play Interviews (20 minutes)

Practice your conversational skills by taking turns being the interviewer and the interviewee. Ask and answer questions related to job preferences, skills, and experiences.

Group Task:

Discuss the following questions:

1. What are some common interview questions for a job?
2. How can you prepare for a job interview?
3. What are some important skills to have in the workplace?

Career Research (20 minutes)

Research and write a short paragraph about a job that interests you. Include the job title, description, required skills, and why you are interested in it.

Job-Related Vocabulary (15 minutes)

Match the vocabulary words with their meanings:

1. Career
2. Job title
3. Responsibility
4. Skill
5. Employer

1. a) A person or organization that pays someone to work
2. b) A task or duty that someone is expected to perform
3. c) The ability to do something well
4. d) A long-term job or profession
5. e) The name given to a specific job or position

Conclusion (10 minutes)

By completing this worksheet, you have learned about different jobs and careers, and practiced your English language skills. Remember to continue exploring and learning about various professions to discover your interests and potential career paths.

Individual Reflection:

1. What was the most interesting thing you learned about jobs and careers?

2. How will this learning change your actions in the future?

3. What questions do you still have about jobs and careers?

Assessment (15 minutes)

Answer the following questions to assess your understanding:

1. What is your dream job and why?

2. What skills are required to be a successful engineer?

3. What is the main responsibility of a teacher?

Extension Activity (20 minutes)

Create a poster or presentation about a job that interests you. Include the job title, description, required skills, and why you are interested in it.
