

# CONSERVATION CHAMPIONS: WILDLIFE SUCCESS STORIES

## Amazing Animal Matching Challenge

*Draw lines to connect each animal with their incredible population growth story. Then calculate how many more animals there are today!*

California Condor

22 birds in 1982; over 400 today

Giant Panda

1,864 in 1980; 1,864 today

Humpback Whale

450 in 1958; 25,000 today

Gray Wolf

1,000 in 1960; 18,000 today

Sea Otter

50 in 1911; 3,000 today

## Population Growth Calculations

California Condor Increase:

Giant Panda Increase:

Humpback Whale Increase:

Gray Wolf Increase:

Sea Otter Increase:

## Wildlife Detective Research Sheet

*Choose one animal from the previous page and become an expert wildlife detective! Fill in all the information about your chosen animal.*

**Name of Animal:**

**Draw your animal here:**

**Current Habitat:**

**What do they eat?**

**Main threats they faced:**

**Number of animals before:**

**Number of animals today:**

## Conservation Success Story

*Use the word bank to complete the story about your animal's journey to recovery!*

### Word Bank

scientists

population

conservation

recovery

The

of my animal was very low.

worked hard to save them.

They needed

from hunting.

Their

needed to be saved.

Thanks to

efforts, the  started to grow.

Now we can celebrate their

!

## Habitat Heroes Map Challenge

*Create a world map showing where these animals have made their comeback! Color and label each region.*

[World Map Outline Here]

## Map Legend

 California Condor - North America

 Humpback Whale - Global Oceans

 Sea Otter - Pacific Coast

 Giant Panda - Asia

 Gray Wolf - North America

# Conservation Action Plan

*Design your own conservation plan to help protect endangered animals!*

**Choose an endangered animal to help:**

## Step 1: Identify the Problems

List three main threats to your chosen animal:

1.
2.
3.

## Step 2: Create Solutions

Write three ways to help solve these problems:

1.
2.
3.

# Conservation Campaign Poster

*Design a poster to raise awareness about your chosen endangered animal!*

[Draw your animal here]

**Catchy Slogan:**

**Amazing Fact #1**

**Amazing Fact #2**

**How People Can Help:**

## Conservation Success Timeline

*Create a timeline showing how your chosen animal was saved from extinction!*

**Past:**

What was happening to the animal?

**Action:**

What did people do to help?

**Present:**

How is the animal doing now?

## **Great Job, Conservation Champion!**

You've learned about some amazing animal conservation success stories. Keep exploring and learning about wildlife protection!
