Question 11

[40 marks]

A friend is struggling with a personal issue and confides in you. However, you are not sure if you should keep the secret or share it with a trusted adult. Discuss the values that guide your decision-making process and explain how you would approach this situation.

Marking Guide

Multiple Choice Questions: 1 point for each correct answer, 0 points for each incorrect answer

Short Answer Questions: 2 points for each question that demonstrates a clear understanding of the value and its application, 1 point for each question that shows some understanding, but lacks clarity or depth, 0 points for each question that does not demonstrate an understanding of the value

Essay Question: 5 points for a well-structured essay that demonstrates a clear understanding of core values and their application in the scenario, 3 points for an essay that shows some understanding, but lacks clarity or depth, 1 point for an essay that does not demonstrate an understanding of core values

Implementation Guidelines

Provide clear instructions and examples for each section

Encourage students to read each question carefully and answer to the best of their ability

Allow students to ask questions if they are unsure about any aspect of the assessment

Collect and review assessments to provide feedback and identify areas for improvement

Differentiation Options

Provide extra time for students who require it

Offer a reader or scribe for students with disabilities

Use visual aids or graphic organizers to support students with learning difficulties

Modify the language or complexity of questions for English language learners

Provide additional support or scaffolding for students who require it

Conclusion

By completing this assessment handout, students will demonstrate their understanding and application of core values in various contexts.

Teachers can use the marking guide to provide feedback and identify areas for improvement, and use the differentiation options to support diverse learners.

Remember to provide clear instructions and examples, and encourage students to ask questions if they are unsure about any aspect of the assessment.
