PLANIT TEACHERS

Environmental Problem Solvers Activity Pack

Welcome Environmental Detectives! 🌍

Detective Name: _____

Mission Date: _____

🌟 Did You Know?

Young environmental detectives like you can make a huge difference! Even small actions, like recycling one piece of paper, can help save trees and protect our planet.

Today's Special Mission

You are now officially an Environmental Detective! Your mission includes:

- Discovering environmental problems around you
- Creating amazing solutions to help our planet
- Teaching others how to protect Earth
- Becoming an Environmental Hero!

Activity 1: Spot the Environmental Problems

Look at each picture carefully and circle all the environmental problems you can find.

[Picture 1: Playground with Litter]

What problems do you see?

1. _____

[Picture 2: Dripping Water Fountain]

What problems do you see?

1. _____

2. _____

2. _____

Environmental Detective Checklist

Walk around your classroom or school (with your teacher's permission) and check what you find:

☐ Recycling bins   ☐ Paper waste

☐ Lights left on   ☐ Water waste

☐ Litter on ground   ☐ Plants or gardens

Detective's Notes

The biggest problem I found was:
