Due Date: _____

Introduction to Concept Papers

Essential Understanding:

- Definition of a concept paper
- Purpose of a concept paper
- Key components of a concept paper

Complete these concept checks:

1. Define what a concept paper is and its purpose.

2. Identify the key components of a concept paper.

Activity 1: Brainstorming Topics

Take a few minutes to brainstorm and write down your ideas for a concept paper topic.

Activity 2: Conducting Preliminary Research

Conduct preliminary research on your chosen topic and take notes on key points, arguments, or perspectives related to your topic.

Essential Understanding:

- Introduction, body, and conclusion sections
- Thesis statement and supporting evidence
- Clear and concise writing

Complete these writing exercises:

1. Write a thesis statement for your concept paper.

2. Develop an outline for your concept paper using the following template:

- I. Introduction
- II. Body
- III. Conclusion

Activity 3: Critical Thinking Questions

Consider the following critical thinking questions as you write your concept paper:

1. What are the implications of your idea?
2. How does your concept relate to real-world issues?
3. What are the potential challenges and solutions associated with your idea?

Activity 4: Peer Review

Exchange your concept paper with a classmate and provide constructive feedback using the following questions:

1. Is the topic clearly introduced and developed?
2. Is the writing clear and concise?
3. Are the arguments well-supported with evidence?

Activity 5: Reflective Journaling

Write a reflective journal entry about your experience writing a concept paper.

Success Criteria and Additional Resources

Success Criteria:

- Clearly introduces and develops a chosen topic or idea
- Demonstrates understanding of the concept paper format
- Shows evidence of research and critical thinking
- Is well-organized, clearly written, and free of grammatical errors

Additional Resources:

1. Library access for research
2. Online writing guides and tutorials
3. Classroom support from your teacher

To support your child in completing this assignment:

1. Encourage independence, but be available for guidance if needed
2. Provide resources and a quiet workspace
3. Discuss progress and offer support and encouragement
4. Help your child manage their time effectively to meet the completion deadline

Conclusion

Conclusion:

By completing this assignment, you will develop your writing skills, cultivate critical thinking and independent learning habits, and explore the creative and expressive world of concept papers.
