4. Identify and correct the grammatical error in the sentence "The student's grades is improving."

5. Complete the sentence with the correct grammatical structure: "If I \_\_\_\_\_ more time, I would have finished the project."

### Section 3: Essay Question (15 minutes, 1 question)

---

Choose one of the following essay questions and write a well-structured paragraph explaining the concept and providing examples.

1. Explain the importance of subject-verb agreement in sentence structure.

2. Discuss the difference between the present perfect and past perfect tenses.

3. Describe the use of active and passive voice in writing.

## Marking Guide

---

*The assessment will be marked based on the following criteria:*

- Multiple Choice Questions: 1 point for each correct answer
- Short Answer Questions:
  - Error Analysis: 2 points for each correct identification and correction
  - Sentence Completion: 2 points for each grammatically correct completion
  - Grammar Explanation: 4 points for a clear, concise explanation
- Essay Question:
  - Content (40 points): Depth of understanding of the grammatical concept, relevance of examples
  - Organization and Coherence (20 points): Clarity, logical flow, and effective use of transitional phrases
  - Language Use (20 points): Accuracy in grammar, vocabulary, and spelling
  - Mechanics (20 points): Adherence to standard writing conventions, including punctuation and capitalization

## Implementation Guidelines

---

*The following guidelines should be followed when administering the assessment:*

- Time Allocation: 45 minutes total
- Administration Tips: Ensure students have necessary writing utensils and a copy of the assessment. Emphasize the importance of reading each question carefully and managing time effectively.
- Accommodations: For students with disabilities, consider providing extra time, a reader, or using assistive technology as per individual needs.

## Differentiation Options

---

*The following differentiation options can be used to support diverse learners:*

- For Visual Learners: Provide diagrams or charts illustrating grammatical concepts in the multiple-choice section.
- For Kinesthetic Learners: Include a short, grammatically focused writing exercise at the beginning to engage them actively.
- For Students with Language Barriers: Offer a bilingual dictionary or provide questions in both English and the student's native language.

## Bloom's Taxonomy Alignment

---

*The assessment aligns with the following levels of Bloom's Taxonomy:*

- Remembering: Multiple-choice questions on basic grammar rules
- Understanding: Short answer questions requiring explanation of grammatical concepts
- Applying: Error analysis and sentence completion tasks
- Analyzing: Comparing and explaining grammatical concepts in the essay
- Evaluating: Implicit in the essay question, where students must justify their choice of examples

## Multiple Intelligence Approaches

---

*The assessment incorporates the following multiple intelligence approaches:*

- Linguistic Intelligence: Throughout all sections, particularly in the essay
- Logical-Mathematical Intelligence: In the analysis and correction of grammatical structures
- Spatial Intelligence: Utilized in the diagrams or charts provided for visual learners

## Clear Success Criteria

---

*The following success criteria will be used to evaluate student performance:*

- Answer all questions to the best of your ability
- Use proper grammar and spelling throughout
- Manage your time effectively to complete all sections

## Evidence Collection Methods

---

*The following evidence collection methods will be used to assess student learning:*

- The assessment itself serves as a primary evidence collection tool
- Observations during the assessment can provide additional insights into students' thought processes and skills

## Feedback Opportunities

---

*The following feedback opportunities will be provided to students:*

- Immediate feedback will be given upon completion, focusing on strengths and areas for improvement
- A follow-up session will be scheduled to discuss the results, provide detailed feedback, and outline a plan for further learning and practice
