List 3 non-living things in your forest:

1. _____
2. _____
3. _____

Today I Learned...

Draw your favorite living thing:

Write three facts about your living thing:

Living Things Challenge!

Movement Detective

Go outside and find:

Something that flies: _____

Something that crawls:

Something that hops:

Growth Tracker

Measure and record a plant's growth:

Day 1: _____ cm

Day 3: _____ cm

Day 5: _____ cm

Day 7: _____ cm

Certificate of Completion

Congratulations!

This certificate is awarded to

for completing the Living and Non-Living Things Activity Workbook

Date: _____

Teacher: _____

Reflection Time!

What was your favorite activity today?

Name three living things you learned about:

Great Job!

You're a Science Star!
