- The impact of espionage on the outcome of World War II

Marking Guide

Multiple Choice Questions:

- 1 point for each correct answer
- 0 points for each incorrect answer

Short Answer Questions:

- 2 points for each question that demonstrates a clear understanding of the concept
- 1 point for each question that demonstrates a partial understanding of the concept
- 0 points for each question that demonstrates little or no understanding of the concept

Project-Based Task:

- 5 points for a timeline that includes at least 5 significant events and demonstrates a clear understanding of the impact of espionage on global events
- 3 points for a timeline that includes 3-4 significant events and demonstrates a partial understanding of the impact of espionage on global events
- 1 point for a timeline that includes fewer than 3 significant events and demonstrates little or no understanding of the impact of espionage on global events

Differentiation Options

To cater to diverse learners, consider the following differentiation options:

- For students with visual impairments, provide a large print or braille version of the assessment
- For students with learning difficulties, provide additional time or a reader to assist with the assessment
- For English language learners, provide a translated version of the assessment or allow the use of a dictionary

Conclusion

Congratulations on completing the "Spying Through History" assessment! Remember to review the marking guide and feedback opportunities to understand how you performed and what you can improve on.
