## Pre-Lesson Preparation

### Room Setup:

- Arrange desks in a circular configuration to facilitate group discussion and collaboration.
- Ensure that all necessary materials, including whiteboard markers, chart paper, and handouts, are readily available.

### Technology Needs:

- Computer with internet access for research and multimedia presentations.
- Smartboard or interactive whiteboard for engaging lessons and activities.

### Materials Preparation:

- Prepare handouts with guided reading questions and writing prompts.
- Gather materials for the writing activity, including paper, pencils, and markers.

### Safety Considerations:

- Ensure that the classroom is well-ventilated and free from distractions.
- Establish clear rules and expectations for behavior, including respect for others and active listening.

## Detailed Lesson Flow

### Introduction and Vocabulary Building (10 minutes)

- Introduce the topic of "My Family" and ask learners to share their names and something about their families.
- Show pictures of different families and ask learners to identify the family members and describe their relationships.
- Introduce key vocabulary related to family members and relationships, such as "mother", "father", "brother", and "sister".

### Reading Comprehension (15 minutes)

- Read a simple text about a family to the learners, stopping at regular intervals to ask comprehension questions.
- Encourage learners to listen attentively and respond to the questions, using evidence from the text to support their answers.
- Provide feedback and guidance, helping learners to develop their reading comprehension skills.

### Writing Activity (15 minutes)

- Provide learners with a writing prompt, asking them to write a short paragraph about their own family.
- Encourage learners to use basic sentence structures and vocabulary learned during the lesson.
- Circulate around the room, providing guidance and support as needed, and encouraging learners to use their creativity and imagination.

### Sentence Construction (10 minutes)

- Review basic sentence structures with the learners, using examples from the text and the writing activity.
- Encourage learners to identify and explain the different parts of a sentence, including the subject, verb, and object.
- Provide feedback and guidance, helping learners to develop their understanding of sentence construction.

### **Conclusion and Reflection (10 minutes)**

- Review the key learning outcomes of the lesson, asking learners to reflect on what they have learned.
- Encourage learners to share their thoughts and feelings about the lesson, and to identify areas where they need additional support or review.
- Provide feedback and guidance, helping learners to develop their critical thinking and reflection skills.

## Differentiation & Support Strategies

### For Struggling Learners:

- Provide additional support and scaffolding, including visual aids and graphic organizers.
- Offer one-on-one instruction and feedback, tailoring the lesson to meet the individual needs of each learner.

### For Advanced Learners:

- Provide additional challenges and extensions, including complex texts and open-ended writing prompts.
- Encourage learners to take on leadership roles, facilitating group discussions and activities.

### ELL Support Strategies:

- Provide visual aids and graphic organizers to support language development and comprehension.
- Offer one-on-one instruction and feedback, tailoring the lesson to meet the individual needs of each learner.

### Social-Emotional Learning Integration:

- Encourage learners to reflect on their thoughts and feelings, developing self-awareness and self-regulation skills.
- Foster a positive and inclusive classroom environment, promoting social skills and relationships.

## Assessment & Feedback Plan

### Formative Assessment Strategies:

- Observation and feedback during the writing activity.
- Review of written work and participation in class discussions.

### Success Criteria:

- Learners will be able to read and understand a simple text about a family.
- Learners will be able to write a short paragraph about their own family, using basic sentence structures and vocabulary.

### Feedback Methods:

Page 0 of 10

- Verbal feedback during the lesson, providing guidance and support as needed.
- Written feedback on the writing activity, highlighting strengths and areas for improvement.

## Homework & Extension Activities

### Homework Assignment:

Ask learners to read a simple text about a family and write a short paragraph about their own family, using basic sentence structures and vocabulary.

### Extension Activities:

- Create a family tree, including immediate and extended family members.
- Write a short story about a family, using basic sentence structures and vocabulary.

**Parent/Guardian Connection:**

Ask parents/guardians to support homework and reading, providing a quiet and comfortable workspace for learners to complete their homework.

## Teacher Reflection Space

---

### Pre-Lesson Reflection:

- What challenges do I anticipate, and how will I address them?
- Which learners might need extra support, and how will I provide it?
- What backup plans should I have ready, in case of unexpected events or disruptions?

### Post-Lesson Reflection:

- What went well, and what didn't?
- What adjustments can I make to the lesson plan to better meet the needs of my learners?
- What next steps can I take to build on the learning from this lesson, and to support my learners' continued growth and development?

## Lesson Objectives
