Guided Reading Strategies

Name: _____

Class: _____

Date: _____

Topic: Reading Comprehension

Grade Level: 9th Grade

Total Points: 40

Learning Objectives

- Understand guided reading strategies
- Apply reading comprehension techniques
- Develop critical analysis skills
- Practice independent reading strategies

What is Guided Reading?

Guided reading is a targeted instructional approach where teachers work with small groups of students at similar reading levels to develop comprehensive reading skills.

Key Reading Strategies

1. Predicting

Before reading, make predictions about the text based on title, images, or prior knowledge.

Example:

Look at a book's cover and predict what the story might be about.

2. Questioning

Generate questions before, during, and after reading to enhance comprehension.

Example:

Practice Activities

Intermediate Level

1. Reading Strategy Application

Choose a text and demonstrate:

- a) Three prediction statements
- b) Two critical questions

Extension Activities

Choose ONE activity:

1. Create a reading strategy poster
2. Write a reflective journal about your reading process
3. Design a reading comprehension game

Self-Assessment

- I can predict text content
- I generate meaningful questions while reading
- I understand my reading comprehension process
- I can apply different reading strategies
