## Conclusion

Congratulations on completing the English Alphabet Basics homework assignment! Remember to review your work and ask for help if you need it.

## Parent/Guardian Notes

Support your child by ensuring they understand the instructions and are using their time effectively.

Encourage independence but be available to help if needed.

Review their work to ensure they are meeting the success criteria.

Discuss their learning and what they found challenging or enjoyable about the activities.

Encourage your child to manage their time effectively, allocating appropriate time for each activity.

## Additional Tips for Teachers

**Differentiation:** For students with special needs, consider providing larger print or using tactile letters for practice.

**Technology Integration:** For a digital version, use online alphabet matching games and typing software to practice writing letters.

**Assessment:** Collect and review the homework to assess understanding and provide feedback on handwriting, letter recognition, and word building skills.

**Extension in the Classroom:** Plan follow-up activities in class, such as creating alphabet books or playing alphabet games, to reinforce learning and encourage further practice.
