Review what you have learned about nouns and verbs. Write a short reflection on what you learned and what you would like to learn more about.

Example Reflection:

I learned that nouns are people, places, things, and ideas, and that verbs are actions or states of being. I would like to learn more about how to use nouns and verbs to create more complex sentences and stories. I enjoyed the activities and games in this worksheet and would like to do more of them in the future.
