

## Introduction

*Developing listening skills and language abilities is essential for kindergarten students with hearing loss. This worksheet is designed to provide a comprehensive and engaging approach to improve auditory perception, speech recognition, and communication skills.*

## Section 1: Listening Skills

1. What is your favorite sound? \_\_\_\_\_
2. Can you identify the different sounds in the environment? (e.g. bird chirping, car horn)
3. How do you feel when you hear a loud noise? \_\_\_\_\_

## Section 2: Language Development

---

1. What is your favorite word? \_\_\_\_\_
2. Can you describe a picture using 5 words? \_\_\_\_\_
3. How do you communicate with your friends? \_\_\_\_\_

## Section 3: Auditory Training

---

1. Can you identify the different sounds in the following words: cat, dog, sun?
2. How many syllables are in the word "banana"? \_\_\_\_\_
3. Can you repeat the following sentence: "The cat is sleeping"? \_\_\_\_\_

## Section 4: Communication Skills

---

1. Can you have a conversation with a friend or family member about your favorite hobby?
2. How do you feel when you are unable to hear someone? \_\_\_\_\_
3. Can you describe a time when you had to communicate with someone who didn't understand you?  
\_\_\_\_\_

## Section 5: Storytelling

---

1. Can you tell a story about your favorite animal?
2. How do you use your senses to tell a story? (e.g. sight, sound, touch)
3. Can you draw a picture to illustrate your story?

## Conclusion

---

*Developing listening skills and language abilities is essential for kindergarten students with hearing loss. By practicing and reinforcing these skills, students can improve their communication and social interaction. Remember to always use visual aids and assistive technology to support communication.*

## Assessment

---

1. Can you identify the different sounds in the environment?
2. Can you describe a picture using 5 words?
3. Can you have a conversation with a friend or family member about your favorite hobby?

## Extension Activity

---

*Create a storybook with pictures and words that describe your favorite animal. Use visual aids and assistive technology to support communication.*
