ELL/ESL Support Strategies

The following strategies can be used to support ELL/ESL learners:

- Use visual aids such as pictures and flashcards to support vocabulary building.
- Provide bilingual resources such as dictionaries and glossaries.
- Offer one-on-one support and practice exercises for ELL/ESL learners.
- Use simplified language and sentence structures to facilitate understanding.

Assessment

The following assessment strategies can be used to evaluate student understanding:

- Observe students during activities and note their participation and engagement.
- Review their work and provide feedback.
- Use the assessment to inform future lessons and adjust instruction as needed.

Conclusion

This worksheet is designed to provide a fun and interactive way for 5-year-old students to build their vocabulary related to transportation modes and vehicles.

The activities and questions in this worksheet are aimed at introducing and reinforcing basic vocabulary words, and the ELL/ESL support strategies are designed to support learners who may need extra help.
