

## Introduction to Art Class Procedures

---

*Welcome to the world of art! On the first day of art class, it's essential to establish a positive and productive learning environment that sets the tone for the rest of the year. This lesson will introduce you to the fundamental procedures and expectations of the art classroom, including safety protocols, classroom rules, and introductory art techniques.*

### Activity 1: Art Classroom Scavenger Hunt

---

*Find and identify the following areas in the art classroom: supply closet, painting station, sculpture area, and trash cans. Write down the location of each area and draw a simple map of the classroom.*

## Safety Protocols and Procedures

---

*Safety protocols and procedures are essential in the art classroom to prevent accidents and injuries. It's crucial to understand the proper handling of art materials, cleaning up spills, and using protective gear.*

### Activity 2: Safety Protocol Charades

---

*Divide into two teams and take turns acting out safety protocols without speaking. The team that correctly guesses the most safety protocols wins.*

## Introduction to Art Techniques

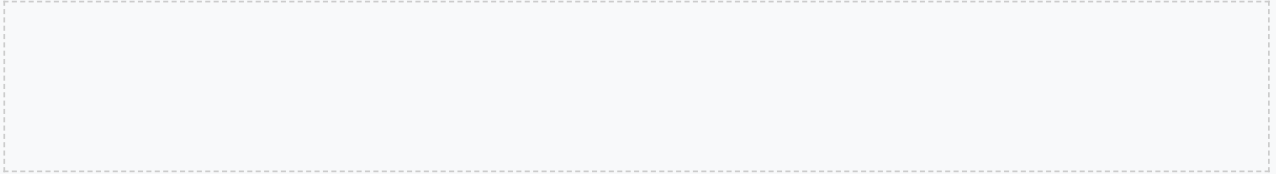

---

*Introduction to art techniques is a fundamental part of the art classroom. You will learn about color theory, texture, and composition, and apply these techniques to create simple artworks.*

### Activity 3: Art Technique Demonstration

---

*Watch a demonstration of a simple art technique, such as painting or drawing. Follow the steps to create your own artwork using the technique.*

## Group Activities

---

*Group activities are an essential part of the art classroom, promoting collaboration, creativity, and critical thinking.*

### Activity 4: Collaborative Mural

---

*Divide into small groups and create a collaborative mural that represents the art classroom procedures. Use a variety of art materials, such as paints, markers, or colored pencils.*

## Independent Practice

---

*Independent practice allows you to apply what you have learned and explore your creativity.*

### Activity 5: Art Supply Sorting Game

---

*Sort a set of art supplies into categories (e.g., painting, drawing, sculpting). Write down the category for each supply and explain why you sorted it that way.*

## Subject Knowledge

---

*Subject knowledge is essential in the art classroom, providing a foundation for future art projects.*

### Activity 6: Art Vocabulary Match

---

*Match the following art vocabulary words with their definitions:*

- *Color theory*
- *Texture*
- *Composition*
- *Artistic medium*
- *Critique*

## Extended Knowledge

---

*Extended knowledge provides a deeper understanding of art concepts and techniques.*

### Activity 7: Art History Research

---

*Research a famous artist and create a short presentation about their life and work. Include images of their artworks and explain their style and techniques.*

## Common Errors

---

*Common errors can be avoided by understanding the importance of safety protocols, respecting peers' work, and following directions.*

### Activity 8: Error Analysis

---

*Read the following scenarios and identify the common error:*

- *A student accidentally knocks over a peer's artwork.*
- *A student doesn't follow the safety protocols when handling art materials.*

## Common FAQ

---

*Frequently asked questions provide answers to common queries about the art classroom.*

### Activity 9: FAQ Match

---

*Match the following FAQs with their answers:*

- *Q: What if I have no prior experience with art?*
- *Q: What kind of materials and supplies will we be using in art class?*

## Objectives and Vocabulary

---

*Objectives and vocabulary provide a foundation for future art projects.*

### Activity 10: Vocabulary Review

---

*Review the following vocabulary words and their definitions:*

- *Art studio*
- *Safety protocols*
- *Organizational system*
- *Color theory*
- *Texture*
- *Composition*
