

Welcome to the World of Reading!

This workbook is designed to introduce you to the exciting world of phonics and alphabet sounds. Inside, you'll find engaging and interactive activities to help you learn and practice your skills.

What are Phonics and Alphabet Sounds?

*Phonics is the relationship between sounds and letters. It's like a secret code that helps us read and write!
Alphabet sounds are the individual sounds that each letter makes.*

Activity 1: Alphabet Scavenger Hunt

Find objects in your classroom or at home that start with each of the following sounds:

- /k/ (e.g., kite, kitchen)
- /t/ (e.g., table, tiger)
- /m/ (e.g., mouse, mom)

Write the object and its starting sound on the lines below:

1. _____
