Introduction to Idiomatic Expressions

What are Idiomatic Expressions?

Idiomatic expressions are phrases or sentences that have a figurative meaning that is different from the literal meaning of the individual words. They are commonly used in everyday language and can add flavor and interest to our communication.

Can you think of an example of an idiomatic expression?

Activity 1: Idiomatic Expression Identification

Read the following text excerpt:

"The old man was feeling under the weather, so he decided to take it easy and put his feet up. He had been burning the midnight oil all week, and it was time to take a break. As he sat on the couch, he felt a weight lift off his shoulders, and he was finally able to think outside the box."

Identify at least 5 idiomatic expressions in the text and write their meanings in the space provided:

1. _____
2. _____
3. _____
4. _____
5. _____

Activity 2: Expression Analysis

Choose one of the idiomatic expressions you identified in Activity 1 and write a short paragraph analyzing its meaning in the context of the text.
