

Introduction to Literacy

Read the following passage and answer the questions that follow:

The world of literacy is a vast and complex domain that encompasses a wide range of skills, including reading, writing, speaking, and listening. For 17-year-old students, developing strong literacy skills is crucial for academic success, career advancement, and effective communication in personal and professional life.

1. What is the main purpose of developing strong literacy skills?

2. What are the four main skills that make up the domain of literacy?

Literary Devices

Identify and explain the literary device used in the following sentence: "The sun was a burning fire in the sky."

1. What literary device is used in the sentence?

2. Explain the effect of the literary device on the reader.

Reading Comprehension

Read the following passage and answer the questions that follow:

The importance of literacy cannot be overstated. Literacy is the foundation of all learning, and it is essential for academic success, career advancement, and effective communication in personal and professional life.

1. What is the main idea of the passage?

2. What is the author's tone in the passage?

Writing Skills

Write a persuasive essay on the following topic: "The importance of literacy in the modern world."

Critical Thinking

Evaluate the following source and answer the questions that follow:

A recent study found that students who read regularly have better academic outcomes than those who do not.

1. What is the main claim of the source?

2. What evidence is provided to support the claim?

Creative Writing

Write a short story using the following prompt: "A world without literacy."

Conclusion

Reflect on what you have learned throughout this worksheet and answer the following questions:

1. What is the most important thing you have learned about literacy?

2. How will you apply what you have learned to your everyday life?

Assessment Rubric

Use the following rubric to assess your work:

Section	Points
Introduction to Literacy	20
