Welcome to the Platform!

Congratulations on joining our online community! This welcome pack is designed to help you navigate the platform and set up your profile. Inside, you'll find interactive content, quizzes, and activities to get you started.

Getting Started

The platform is an online community where you can connect with others, share ideas, and learn new things. Your profile is your online identity. It helps you connect with others, share your interests, and showcase your personality.

1. What is the platform?
2. Why do I need a profile?

Setting Up Your Profile

Choose a profile picture that represents you and your personality. Write a bio that is short, sweet, and to the point. Set your privacy settings to "friends only" to keep your profile private.

1. Step 1: Choose a Profile Picture
2. Step 2: Write a Bio
3. Step 3: Set Your Privacy Settings

Navigating the Platform

The dashboard is your home page on the platform. From here, you can access all the features and tools you need to navigate the platform. The navigation menu is where you'll find all the features and tools on the platform.

Group Task:

Explore the platform and find the different features and tools. Complete the scavenger hunt and win a badge!

Feature	Location

Online Safety and Digital Citizenship

Choose a strong and unique password for your account. Avoid using easily guessable information like your name or birthdate. Be kind, respectful, and considerate of others online. Remember, your online actions have consequences.

1. Password Management
2. Online Etiquette

Quiz Time!

Test your knowledge of the platform and online safety with our quiz!

1. What is the purpose of a profile on the platform?

2. What is online etiquette?

Activities

Create a profile that showcases your personality and interests. Share it with the class and get feedback from your peers.

Group Task:

Explore the platform and find the different features and tools. Complete the scavenger hunt and win a badge!

[Space for creative work]

Conclusion

Individual Reflection:

1. What was the most surprising thing you learned today?

2. How will this learning change your actions in the future?

3. What questions do you still have about the platform?
