

Introduction to Bees

Look at the picture of the bee below:

Bee Picture

What is the name of the insect in the picture?

Bee Lifecycle

Bees go through different stages of life. Can you put them in order?

 Bee Lifecycle

1. Egg
2. Larva
3. Pupa
4. Adult

Put the stages in order by drawing a line to connect them:

Bee Hotel

Bees need a home to live in. What can we do to help them?

What materials can we use to build a bee hotel?

Pollination

Bees help plants grow by pollinating them. What do bees collect from flowers?

 Pollination

Match the pictures of different flowers with the correct type of pollen:

Flower	Pollen
 Flower 1	
 Flower 2	

Bee Friends

Bees have different jobs. Can you match the bee with its job?

 Bee Friends

Match the pictures of different bees with their jobs:

Bee	Job
 Worker Bee	
 Queen Bee	

Bee Safety

What should we do if we see a bee?

 Bee Safety

What is the safest way to observe a bee?

Bee-Themed Crafts

Let's get creative and make something bee-themed!

 Bee Craft

1. Draw a picture of a bee
2. Make a bee mask
3. Create a bee-themed collage

[Space for creative work]

Bee Vocabulary

Let's learn some new words about bees!

 Bee Vocabulary

Match the vocabulary words with their definitions:

Word	Definition
Hive	
Nectar	

Bee Story Time

Let's read a story about bees!

 Bee Story

Read the story and answer the questions:
