

Introduction to Sentence Structure

Welcome to the world of sentence structure! In this welcome pack, we will explore the basics of sentence structure through storytelling. You will learn about simple, compound, and complex sentences, and how to use them to create engaging stories.

Sentence structure is the foundation of effective writing. It helps us convey our ideas and thoughts in a clear and concise manner. In this pack, we will delve into the world of simple, compound, and complex sentences, and explore how to use them to create engaging stories.

Simple Sentences

A simple sentence is a sentence that has only one independent clause. It expresses a complete thought.

Example: "The dog runs."

Activity 1: Simple Sentence Builder

Build your own simple sentence using the following words:

- Subject: cat
- Verb: sleeps
- Object: on the couch

Compound Sentences

A compound sentence is a sentence that contains two or more independent clauses joined by a conjunction.

Example: "I went to the store, and I bought some milk."

Activity 2: Compound Sentence Builder

Build your own compound sentence using the following words:

- Independent clause 1: I went to the park
- Conjunction: and
- Independent clause 2: I played with my friends

Complex Sentences

A complex sentence is a sentence that contains one independent clause and at least one dependent clause.

Example: "When I got home, I started my homework."

Activity 3: Complex Sentence Builder

Build your own complex sentence using the following words:

- Independent clause: I went to the library
- Dependent clause: because I needed to study

Punctuation in Sentence Structure

Punctuation is important in sentence structure because it helps us understand the meaning of sentences.

Example: "I went to the store, and I bought some milk."

Activity 4: Punctuation Practice

Add punctuation to the following sentence:

"I went to the store and I bought some milk"
