Page 1 of 4

3. What are some strategies for managing conflict and differences within a team?

Section 4: Case Study (15 minutes)

Read the case study and answer the following questions:

****Case Study:**** A team of educators in an early years education setting is struggling to work together effectively. They have different personalities and work styles, and often disagree on how to approach their work. The team leader is trying to find ways to improve communication and collaboration among team members.

1. What are some strategies that the team leader could use to improve communication and collaboration among team members?

2. How could the team leader empower team members to take ownership of their work?

3. What are some potential benefits of improving team effectiveness in this setting?

Section 5: Reflection and Action Plan (15 minutes)

Reflect on your own experiences of working in a team and answer the following questions:

1. What are some strengths and challenges that you have faced?

2. What are some strategies that you could use to improve team effectiveness in your own setting?

Page 1 of 4

3. Create an action plan to improve team effectiveness in your own setting. What steps will you take, and how will you evaluate your progress?

Conclusion (5 minutes)

Read the conclusion and reflect on what you have learned:

In conclusion, managing team effectiveness in early years education is crucial for providing high-quality education and care to young children. By understanding the importance of teamwork, communication, and leadership, educators can create a positive and supportive team culture that promotes collaboration and teamwork.

Individual Reflection:

1. What was the most important thing you learned from this worksheet?

2. How will you apply what you have learned to your own practice?
