

Introduction

Hello! We're excited to have you join our community. In this welcome pack, we'll introduce you to our community and its rules. You'll learn about the different components of our community, the rules that govern it, and how you can contribute to its well-being.

Activity 1: Community Map

Draw a map of our community, including important landmarks, businesses, and community helpers. Label each component and describe its role in the community.

Community Components

Our community is made up of different components, including:

1. People: residents, business owners, and community helpers
 2. Businesses: shops, restaurants, and services
 3. Organizations: schools, libraries, and community centers
 4. Public Spaces: parks, playgrounds, and streets
-

Activity 2: Community Helper Matching

Match the following community helpers with their roles:

- Police Officer
 - Doctor
 - Teacher
 - Librarian
-

Community Rules

Our community has rules to maintain order and safety. These rules include:

1. Traffic rules: following traffic lights and pedestrian crossings
2. Noise rules: keeping noise levels down after 10 PM
3. Littering rules: keeping our community clean and beautiful

Activity 3: Rule Sorting

Sort the following scenarios into categories: traffic rules, noise rules, or littering rules:

- A car runs a red light
- A neighbor plays music too loudly
- A person throws trash on the ground

Community Service

Our community values community service and volunteering. We can contribute to our community by:

1. Volunteering at a local animal shelter
2. Participating in a community clean-up event
3. Helping at a food bank

Activity 4: Community Service Reflection

Reflect on a time when you contributed to your community through volunteering or community service.

Community Leadership

Our community values leadership and encourages its members to take on leadership roles. We can develop leadership skills by:

1. Communicating effectively
2. Working in teams
3. Solving problems

Activity 5: Leadership Scenario

Imagine you are a community leader, and you need to solve a problem.

Community Rules Quiz

Take a quiz to test your knowledge of community rules:

1. What is the purpose of traffic rules?
2. Why is it important to keep noise levels down after 10 PM?
3. What happens if you litter in our community?

Activity 6: Community Helper Interview

Interview a community helper, such as a police officer or teacher.

Community Service Project

Plan and propose a community service project, such as cleaning up a local park or helping at a food bank.

Activity 7: Community Reflection

Reflect on what you've learned about our community and its rules.

Conclusion

Congratulations! You've completed our welcome pack and learned about our community and its rules.

Assessment Rubric

The following rubric will be used to assess your participation and completion of the activities:

1. Community map (20 points)
2. Community helper matching (20 points)
3. Rule sorting (20 points)
4. Community service reflection (20 points)
5. Leadership scenario (20 points)
6. Community rules quiz (20 points)
7. Community helper interview (20 points)
8. Community service project (20 points)
9. Community reflection (20 points)
